SERVING THE NATION SINCE 1980

As virus toll climbs, China's cities turn into ghost towns

DEATH TOLL IN CHINA CLIMBS TO 813

MODI WRITES TO XI, OFFERS HELP

SURGICAL MASK EXPORT BAN LIFTED

AGENCIES
9 February

The capital of China and financial hubs, Beijing and Shanghai, turned into ghost towns after the government there extended holidays and asked residents not to go out. The picture was pretty much the same in other Chinese cities.

The epidemic has killed 813 people and infected more than 37,000 in China as of February 9. Only a few people were brave enough to come out. A security guard at Jingshan Park in Beijing said there was less than a third of the number of tourists than usual. Businesses, including shops, bars and restaurants, have been severely hit as the government has banned mass gatherings and even group meals in an effort to curb the spread of the virus. Only a handful of the more than 100 restaurants along Beijing's famous food street, Gujia, were open.

Thousands of people stranded aboard a cruise ship in Hong Kong for five days were allowed to disembark on Sunday after its 1,800 crew tested negative for the deadly new coronavirus.

Meanwhile, Prime Minister Narendra Modi has conveyed to Chinese President Xi Jinping India's readiness to provide assistance. In a letter to Xi, Modi expressed solidarity with the president and people of China over the outbreak of the virus, official sources said.

The prime minister also conveyed to Xi his appreciation for facilitating evacuation of around 650 Indian citizens from the Hubei province last week.

The central government has removed surgical masks and gloves from a list of banned export items, according to a

Indians, who were airlifted from Hubei province of China's Wuhan, undergo screening at a quarantine facility in New Delhi on Sunday.

China allocates \$10.3 bn to fight coronavirus

China's finance ministry said on Sunday all levels of the government had allocated 71.85 billion yuan (\$10.26 billion) to fight the coronavirus. The ministry will deploy the funds to ensure that members of public can afford treatment. The funds will also be used to ensure that efforts of every region to fight the virus are not hampered.

China's central bank also said on Sunday it would offer a 300 billion yuan (\$43 billion) boost next week to help businesses involved in fighting the virus. The People's Bank of China will offer the first tranche of special re-lending funds on Monday.

notification. "... items such as surgical masks/disposable masks and all gloves except NBR gloves are allowed freely for export," the directorate general of foreign trade said in a notification.

However, it said that export of all other personal protection equipment, including N-95 and other equipment accompanying masks and gloves shall remain prohibited for exports.

Indian pharma firms are closely monitoring the outbreak as it could impact the supply of active pharmaceutical ingredients, if the situation does not improve soon. China accounted for 67.56 per cent of total imports of bulk drugs and drug intermediates in 2018-19 at \$2,405.42 million.

"The government is working in an integrated way to deal with the

Hong Kong firms to get \$3.9 bn relief from HSBC

Hong Kong businesses are set to benefit from over HK\$30 billion (\$3.9 billion) in liquidity relief offered by HSBC Holdings to support firms as the deadly coronavirus weighs on the economy. Measures include a principal repayment moratorium for borrowers with commercial loans secured by property, as well as those with taxi and public minibus loans, according to a statement from HSBC on Sunday.

Trade finance customers can also apply for access to an overdraft of up to HK\$10 million for six months to help with daily operational needs like employee payrolls and rent.

Indian Pharmaceutical Alliance secretary general Sudarshan Jain said.

In another development, the Directorate General of Civil Aviation stopped pre-flight breathalyser (BA) tests for crew operating out of Kerala's four airports — Calicut, Kannur, Trivandrum and Cochin — during the next 15 days. However, the flight crew departing from these airports will compulsorily undergo post-flight tests at the city where they land.
